

List of Figures

1.1	Theoretical predictions for a validating signals.	22
1.2	Theoretical predictions for an invalidating signals.	22
1.3	Density of the proportion of correct estimations	24
1.4	Correct estimations in part 2 with validating or invalidating signals . . .	24
1.5	Correct estimations with validating signals and no change in estimation.	25
1.6	Correct estimations with validating signals and change in estimation. . .	26
2.1	Messages' distribution in the Bias treatment	62
2.2	Messages' distribution in the Cost treatment	62
2.3	Effort levels' distribution conditional on the messages received	66
3.1	Distribution of actions and beliefs in SOB	94
